of
San Francisco

presents

Fire up your holidays with *Hot Club Cool Yule*, a swinging gypsy wagon trip to the North Pole featuring many of your favorites and some rarer seasonal gems. Performed by The Hot Club of San Francisco in their inimitable style, reminiscent of Django Reinhardt and the Hot Club of France, this dazzling holiday offering has something for everyone. Make this season bright with the flames of gypsy jazz!

“Instead of slavishly replicating Django's every lick, the HCSF takes Gypsy jazz to new places, resulting in one of the most original, wittiest Christmas albums ever. 'Rudolf the Red-Nosed Reindeer' becomes a tango, 'Carol of the Bells' is glued to Vince Guaraldi's 'Skating'. By guitarist Paul Mehling's own admission, more than just the title of 'Djingle Bells' is twisted ...just right.”
