"This collection of puppet vignettes, set to well-chosen music, is a simple but brilliant production that carries the audience through a range of feelings...this show is highly recommended even for adults who don't happen to have kids."
-*Calgary Herald*

Unmatched in artistry, grace, and refinement of movement, The Cashore Marionettes reinvent the art of puppetry.

Award-winning artist Joseph Cashore creates and manipulates these amazingly lifelike marionettes in a performance entitled *Life in Motion*. This powerful, entertaining, surprising, one-of-a-kind performance is a series of scenes taken from everyday life and set to beautiful music by composers such as Beethoven, Vivaldi, Strauss, and Copland. Through a combination of virtuoso manipulation, humor, poignancy, and poetic insight, *Life in Motion* carries the audience on a journey that celebrates the richness of life.

A matinee offering, *Simple Gifts*, provides humorous, riveting, sophisticated family entertainment.

Mr. Cashore has received numerous awards including a Pew Charitable Trusts' *Fellowship for Performance Art*, based upon his artistic accomplishment. He has also received a *Henson Foundation Grant*, an award intended to help promote puppetry to adult audiences. Mr. Cashore has been awarded the highest honor an American puppeteer can receive, a UNIMA *Citation of Excellence*. UNIMA states that Citations are "awarded to shows that touch their audiences deeply; that totally engage, enchant and enthrall."

**"Cashore Marionettes
make magic
without words."
