

What the Critics Say...

“Critic’s Choice! They tell me vaudeville died some time ago, but you wouldn’t know it from watching the RSC. The knockabout, anything-for-a-laugh spirit of the ancient genre is alive and well in The Ultimate Christmas Show (abridged). These three agile and quick witted guys... there’s no denying their ingenuity when it comes to grabbing comedy out of thin air.”

~ **Boston Globe**

“Brought down the house with gales of laughter.” ~ **Theatre Mirror**

“A pure delight from start to finish... Inspired madness!” ~ **Broadway World**

“Delightfully twisted holiday cheer. Christmas will never be the same once you share the holiday with the inspired lunacy of the masters of condensing the classics – the Reduced Shakespeare Company.” ~ **San Diego Theatre World**

“For those of you who can’t take one more Christmas Carol or Miracle on 34th Street–style homage to the wonder of the season, the Reduced Shakespeare Company has your antidote, with an irreverent look at the holidays.” ~ **St. Louis Magazine**

“Side-splitting!” ~ **Nashua Telegraph**

“The Ultimate Christmas Show (abridged) will make your spirits bright, whether you joyfully embrace the upcoming season or get dragged into it kicking and screaming.”
~ **Broadway World**

“Nothing less than hysterical” ~ **Zingology**

“Side-splitting fun” and “A night of belly-aching laughter” ~ **New England Theatre Geek**

“The Reduced Shakespeare Company brings its gloriously irreverent style to a Christmas pageant gone horribly, hilariously awry.” ~ **Dallas Morning News**
